YOUR PROGRAM

The Tantric way is open to all the richness of human nature, which it accepts without a single restriction. It is probably the only spiritual path that excludes nothing and no one, and, in this way, it corresponds to the deep aspirations of men and women today.

Toby Alexander, (Aka) Swami

Shivananda Brahmananda has been in the field of healing facilitation for more than 15 years. He is an international spiritual teacher, Reiki Master, Soul Wisdom Psyche Doctor, distant healing specialist, founder of DNA Perfection (<http://www.dnaperfection.com>), co-founder of the Higher School for Conscious Evolution with his beloved and life partner Ivonne Delaflor (Aka Swami Amenanda), and author of *The Great Master*.

Toby Alexander has been initiated into Babaji's ancient Kriya Yoga tradition and received initiations (shaktipat) directly from Babaji. He was also initiated as Mahaswami Shivananda

Brahmananda into the Maitri Violet-Silver Chord Order - <http://www.maitriorder.com>. His sessions and teachings are given with a loving intent, are fear-free, and focus on how to remove the energetic blockages that prevent people from EMBODYING their Higher self, those levels of our consciousness that exist in higher dimensions, by removing auric attachments, karmic imprints, and then activating dormant portions of our DNA template.

He also specializes in removing blockages in the heart chakra and activating people into unconditional self-love as he feels that this is the most important work on the planet right now.

As a guardian, as his teacher Babaji has called him, Toby Alexander understands the minute details of the Angelic Human and Indigo races, the corresponding DNA templates of each, and specifically how to electrically dis-engage one's blockages via energy directing techniques, and activate one's dormant potentials. He works with people all over the world, in person giving workshops, or remotely via videoconference, facilitating healing sessions and giving advanced training. His primary focus is on the Earth's ascension and helping to restore the original 12 strand DNA potential for humans so that we may ascend WITH the Earth in 2012.

He currently shares his time both in Santa Barbara California and Cancun, and travels worldwide Rebirthing humanity and activating the Divine DNA template wherever he is given the opportunity to serve. He is the President of TDA Technologies and the Founder of the Christos Avatar Trading System.

Become loving. When you are in the embrace, become the embrace. Become the kiss. Forget yourself so totally that you can say, "I am no more. Only love exists." Then the heart is not beating, but love is beating. Then the blood is not circulating, but love is circulating. Then eyes are not seeing, love is seeing. Then hands are not moving to touch, love is moving to touch. Become love and enter everlasting life. Love suddenly changes your dimension. You are thrown out of time and you are facing eternity. Love can become a deep meditation, the deepest possible. Lovers have known sometimes what saints have not known."
